Sir:

In response to the Final Office Action dated July 12, 2005, please consider the remarks as follow on the accompanying pages.

REMARKS

Claims 1 and 3-21 have been examined on their merits.

The Patent Office objects to claims 15-17 and 21 as being dependent upon a rejected base claim. Instead of rewriting claims 15-17 and 21 in independent form, Applicant respectfully traverses the prior art rejections for the reasons set forth below.

Claims 1 and 3-21 are all the claims presently pending in the application.
